20. COOPERATIVE PURCHASING CLAUSE

In accordance with State Finance and Procurement Article, Sect. 13-110, Maryland Annotated Code, TCPS reserves the right to extend the terms of any contract resulting from this bid to public bodies, subdivisions, school districts, community colleges, colleges, and universities including nonpublic schools, provided, that (1) any such public bodies, subdivisions, school districts, community colleges, colleges, and universities including nonpublic schools must be separately credit approved by the Bank in its sole discretion for such bid pricing (and such approval is not guaranteed by the Bank), and (2) the lease financing transaction will be documented by the Bank's standard tax-exempt municipal lease purchase documents. The Contractor agrees to notify TCPS of those entities that request to use any contract resulting from this bid and provide usage information to TCPS, if requested. TCPS assumes no authority, liability, or obligation, on behalf of any other public or non-public entity that may enter into a cooperative agreement associated with the contract resulting from this bid. All purchases and payment transactions will be made directly between the contractor and the requesting entity.
