June 2022

To the Citizens of Talbot County,

On May 18, 2022 the Talbot County Board of Education approved the FY 2023 budget after making \$1.1 million in cuts from our original budget request. The budget development process was both engaging and transparent as each school principal and department supervisor justified every dollar requested. This budget reflects our commitment to the Strive for 2025 Strategic Plan and to the children of Talbot County. The plan reflects feedback received from parents surveyed, which encompasses three major areas of opportunity after the completion of the 2020 Vision Strategic Plan:

- Recruitment, Promotion and Retention of Staff
- Academic Equity and Achievement including Early Childhood Readiness
- Social and Emotional Learning Support services.

Overall, the operating revenues of the general unrestricted budget will increase by 8.0% or \$4.8 million. This increase will help us to meet the needs of each student attending the Talbot County Public School system by providing salary increases and the ability to offset some of the increases in fixed charges to our employees. The Board of Education would like to thank the Talbot County Council for securing additional revenue to be able to provide funding above its mandatory appropriation. This helped fund staff salary and health insurance increases, additional positions to address our changing demographics and the requirements with House Bill 1300, and four (4) replacement school buses. We are also grateful for the \$505,000 awarded for capital projects including: St. Michaels campus parking lot resurfacing, White Marsh Elementary playground shade and fencing, and Talbot County Education Center pole building for storage.

We are grateful for the community support, the educational partnerships, and the overall commitment of staff during the budget process. Our goal is to provide the best education possible for all of our students and prepare them to graduate ready to advance to college or a career. This comprehensive budget will address the challenges for higher academic standards and create essential conditions for learning across the county.

Respectfully,

Kelly L. Griffith, Ed.D.

<u>MID-SHORE SPECIAL EDUCATION CONSORTIUM</u>	<u>\$ 1,910,087</u>	<u>\$ 2,188,374</u>	<u>\$ 2,299,532</u>	<u>\$ 2,299,532</u>

The Mid-Shore Special Education Consortium includes the Boards of Education of Caroline, Dorchester, Queen Anne's and Talbot Counties. These counties have pooled these resources to provide an efficient and effective means of providing services for students with special needs that they would not normally be able to receive if each county tried to provide these services independently. Talbot County is the fiscal agent of the consortium and this information is provided for reporting purposes only.
