

STUDENT REGISTERED SEX OFFENDERS

I. Board Philosophy

The Talbot County Board of Education is committed to maintaining a safe and secure learning environment for all students. In accordance with requirements defined by Maryland Annotated Code §11-722, a student registered as a sex offender is prohibited from entering onto school property or attending a TCPS school. Therefore, Talbot County Public Schools will provide an education in accordance with state laws for students who are registered sex offenders through other methods in a location other than public school property.

The Board directs the administration to develop administrative regulations to implement this policy.
