

**RFP 24-0404 Project lead the Way 25 station Lab  
Questions and Responses. Final**

**Thank you all for your questions – Some of you have submitted bids already which have NOT been opened. If any information here impacts your submission, you are welcome to remit an amended proposal or withdraw one that may have been submitted. Everything must be received on or before the opening time and date.**

I would like to know if I can just send my response to RFP 24-0404- PLTW Lab Easton by email or should it be mailed ?

**Please send it in the mail - Some people, not the least of which are our state auditors, have trust issues.**

1. What is the expected delivery date?  
**The PO will go out by mid-May so a mid-June delivery date would be appreciated.**
2. Will the awarded vendor be required to complete the setup/installation of the computers or just delivery?
  - a. **The vendor is responsible for delivery only. TCPS will install.**
3. I understand that Talbot County Public Schools is looking to purchase computers. \*\*\*\*\* is a **woman** and **minority-owned** business that resells computers. Does your team have a brand preference? (i.e., Dell, Lenovo, HP)
  - a. **We have no brand preference. Just as long we can obtain service and support if necessary. The one with the best warranty- I believe we selected Lenovo last time.**
  - b. **The low dollar amount of this RFP does not meet the state threshold for minority business consideration.**
