

## **Trades Programs Scholarships at Chesapeake College:**

There are scholarships available for students who want to do a trade program at Chesapeake. These scholarships are for students who may or may not have the best GPA, but have a strong interest in a program and are willing to work hard.

If you are interested in a trade program and helping to get it paid for through a scholarship, please reach out to David Irby ([dirby@chesapeake.edu](mailto:dirby@chesapeake.edu) or 410-822-5400 extension 2726) or Amber McGinnis ([amcginnis@chesapeake.edu](mailto:amcginnis@chesapeake.edu) or 410-827-5866).
